

Daily Water Conservation Plan

City in Stage 1

Implemented Annually, beginning May 15 and continuing through September 15.

[Water Conservation Plan Revision Ordinance #2009-1229](#) amending the Daily Water Conservation and Drought Contingency Plan Water [Ordinance #2005-1096](#). Ordinance #2005-1096 Water Conservation and Drought Contingency Plan reflects the stages the City of Coppell has established.

The Ordinance establishes the stages based on the demand and the City's ability to supply water. The stages are posted in various City buildings, in the water bill insert and on the City's Web site.

- **Stage 1 - Water Awareness Stage - No outside watering will be allowed between the hours of 10:00 a.m. and 6:00 p.m., with the exception of the use of non-spray irrigation systems and hand watering. The use of non-spray irrigation systems and hand watering will be allowed all days, at all times during Stage 1.**
- **Stage 2 - Water Watch Stage - Residential water customers south of Sandy Lake Road must conduct all watering on Sundays, Tuesdays and Thursdays. No outside watering will be allowed between the hours of 10:00 a.m. and 6:00 p.m. with the exception of the use of non-spray irrigation system and hand watering which will be allowed all days, at all times.**

Residential water customers north of Sandy Lake Road must conduct all watering on Saturdays, Tuesdays and Thursdays. No outside watering will be allowed between the hours of 10:00 a.m. and 6:00 p.m. with the exception of the use of non-spray irrigation system and hand watering which will be allowed all days, at all times.

Non-residential water customers must conduct all watering on Mondays, Wednesdays and Fridays. No outside watering will be allowed between the hours of 10:00 a.m. and 6:00 p.m. with the exception of the use of non-spray irrigation system and hand watering which will be allowed all days, at all times.

- **Stage 3 - Water Warning Stage - Residential water customers south of Sandy Lake Road must conduct all watering on Sundays and Thursdays. No outside watering will be allowed between the hours of 10:00 a.m. and 6:00 p.m. with the exception of the use of non-spray irrigation system which will be allowed all days, at all times. Hand watering is restricted to the two allowed days.**

Residential water customers north of Sandy Lake Road must conduct all watering on Saturdays and Tuesdays. No outside watering will be allowed between the hours of 10:00 a.m. and 6:00 p.m. with the exception of the use of non-spray irrigation system which will be allowed all days, at all times. Hand watering is restricted to the two allowed days.

Non-residential water customers must conduct all watering on Mondays and Fridays. No outside watering will be allowed between the hours of 10:00 a.m. and 6:00 p.m. with the exception of the use of non-spray irrigation system which will be allowed all days, at all times. Hand watering is restricted to the two allowed days.

- Stage 4 - Water Emergency Stage - Depending on the availability of water and the City's ability to supply essential water demands and fire protection, the City Manager, upon notification to the City Council, may determine and declare that an emergency situation exists thereby restricting the use of water for lawn and garden watering, or irrigation or other purposes to one day per week only.

Residential water customers south of Sandy Lake Road must conduct all watering on Sundays. No outside watering will be allowed between the hours of 10:00 a.m. and 6:00 p.m. with the exception of the use of non-spray irrigation system which will be allowed all days, at all times. Hand watering is restricted to the one allowed day.

Residential water customers north of Sandy Lake Road must conduct all watering on Saturdays. No outside watering will be allowed between the hours of 10:00 a.m. and 6:00 p.m. with the exception of the use of non-spray irrigation system which will be allowed all days, at all times. Hand watering is restricted to the one allowed day.

Non-residential water customers must conduct all watering on Wednesdays. No outside watering will be allowed between the hours of 10:00 a.m. and 6:00 p.m. with the exception of the use of non-spray irrigation system which will be allowed all days, at all times. Hand watering is restricted to the one allowed day.

Should the City move to Stage 5, no outdoor watering will be allowed. Residents will be notified of the implementation via direct mail, door hangers, [CiTV, government cable](#) access, the City's web site (www.ci.coppell.tx.us), and C-LINK, the City's 24-hour telephone information line.

Water Variances

Based on the water situation at the time of request, permits may be granted for new lawns or landscaping, vacations, or other situations. To apply for a variance please copy the attached request form and fax to the Water Utilities Division at 972-462-5199. For a copy of the Request For Watering Variance form please click [Variance Request Form](#). If you would

like to speak to someone concerning this request please call 972-462-5155.

Any person who violates the Ordinance can be guilty of a separate offense for each day or portion of a day during which the violation continues. The Ordinance sets the penalty fine at \$200 for each offense.
